BROWNSVILLE

Update

Cristy's Cake Shop Tempting Brownsville with the sweet smell of frosting since 1996, Cristy's has cakes galore, from basic chocolate and vanilla to custom confections for all kinds of occasions—weddings, quinceañeras, birthdays (the children's cakes are particularly fun). Our two-layer yellow cake, topped with multicolored flowers, was moist and incredibly light, with a faint buttery taste and a treasure trove of gooey Mexican cajeta hidden inside.
